

Mr. HAROON KHIMANI

Mr. Haroon Khimani, Artist, Group Research and Development Department, ably demonstrated that he was a painter of no mean order by the one-man exhibition of his paintings held at the British Council in the second week of September '68. The show was inaugurated by Mr. E. W. D. Jeffares, Chairman, Mr. P. Umikrishnan, Director, presiding. The three dozen items exhibited included nine oils, two water colours, half a dozen charcoal crayons and the bulk of the rest were woodcuts. The impressive variety of his workmanship was appreciated by connoisseurs and laymen alike.
